

LEMONDE P

N° AU000000229418
 DOB : 2015/10/20
 Origin : Australia

- LEMONDE is a modern limousin bull on behalf of his finesse, elegance, diversity and birth ease
- He is a very complete bull in morphology as well for his lengths-widths as for his muscular thicknesses
- Concerning maternal traits, he benefits from the heritage of EXOCET P, his sire, for the excellent calving abilities of his daughters and HOTESSE, his dam, for the very good dairy potential
- Heterozygous Polled and by his profile, he will be used easily on all the females both in pure breed as in cross-breeding.
